TO obtain resources and in-kind contributions including volunteer time to enable the delivery of assistance to students, including those through soliciting, obtaining and accepting gifts, donations, and bequests from all sources.

OUR CHARITABLE PROGRAMS

In order to achieve its objects, CESEF has approved the following programs.

Active Programs:

- One-time Research Awards:
Tracer Studies for Student Competitions
- CES/CESEF Student Paper Contest

WHY YOUR SUPPORT WILL MAKE A DIFFERENCE

Program evaluators in Canada have recognized the value that a charitable organization can play in supporting students in our profession. Now that CESEF is fully operational, please consider joining with us and becoming a member or by making a “gift” to CESEF.

We offer a variety of programs, sponsorship and partnership opportunities for the development and delivery of programs and activities to support and assist Canadian program evaluators.

The role and scope of practice of a program evaluator in Canada can be varied. We hope that the range and flexibility of our initiatives will meet the needs of those studying and practicing in the field.

If you have any questions, require further information or wish to discuss any related issues, please contact me at secretariat@evaluation-education.org.

Thank you to all who support the education of program evaluators.
